

## Remedy Report

You can use this form to let us know how your remedy is affecting you. Reporting is *essential* to our being able to determine whether you are on the correct remedy.

Make remedy reports in one of three possible ways:

1. call the information into the office during office hours (330-923-3060)
2. fax the information any time (330-923-7705)
3. email the information any time ([familyholistichealth@yahoo.com](mailto:familyholistichealth@yahoo.com))

Please report every 1-2 weeks for the first 2 months of your care.

If you need to contact the office with URGENT information, CALL during office hours.

Remedy abbreviation/dose: \_\_\_\_\_ Date last dose taken: \_\_\_\_\_

Please indicate what symptoms have improved, even slightly or temporarily (and how long did the improvement last?):

Have any symptoms worsened? How long did the worsening last? Is it better now?

Have you experienced any completely new symptoms? Have you had any return of old symptoms?
